The image shows a standard European energy label for a refrigerator. It features a blue header with the EU flag, the word "ENERG" in large letters, and the word "енергия" in Cyrillic. Below this, the brand name "AKAI" and model "ICE114L" are displayed. A central energy efficiency scale ranges from A+++ (green) to D (red), with a black arrow pointing to the A+ rating. To the right of the scale, the energy consumption is listed as 165 kWh/annum. At the bottom, three icons represent the refrigerator's capacity (1L milk carton icon), frost-free feature (snowflake icon), and noise level (speaker icon). The label also includes the text "ENERGIA · ЕНЕРГИЯ · ENERGEIA · ENERGIJA · ENERGY · ENERGIE · ENERGI" and the number "2010/1060".

The image shows a standard European energy label for a refrigerator. At the top left is the European Union flag. To its right, the word "ENERG" is written in large letters, with "енергия · ενεργεια" below it. Further right are four circular icons: "Y IJA" and "IE IA". The brand name "AKAI" is prominently displayed in red, with the model "ICE247L" to its right. Below this is a scale of energy efficiency classes from A+++ (green) to D (red). A black arrow points to the A+ class. A large box in the center contains the number "208" and the unit "kWh/annum". Below this, the word "ENERGIA" is written in multiple languages. At the bottom, there are three icons: a milk carton labeled "1L" with a dash and "L" below it; a snowflake icon with a star and "151L" below it; and a speaker icon with "40dB" below it. The number "2010/1060" is at the very bottom left.
